#### Express of general interest in participation in an Interreg Europe project

We could consider <b>different subjects of cooperation</b> - we are open as to the proposed project topic.	Cultural routes: promotion of the cultural and natural assets along the route and development of common heritage in order to strengthen bonds and common identity between the regions and countries; development of innovative entrepreneurship among the citizens in order to bring sustainable income; elaboration of creative ways of optimal use of natural and cultural resources in possession in order to generate work places and positions for volunteers among young and older citizens of the area.
We have <b>no preferences as to the project lead partner country</b> . We could consider proposals from each of the countries covered by the Interreg Europe programme.	We are generally focused on the St James Route, however we are interested in collaboration with any region interested in developing their tourist, historical routes.
