

## Provision of information to the data subject

Pursuant to § 19 or § 20 of [\*Act No. 18/2018 Coll. on Personal Data Protection and on amendments of certain laws\*](#) (hereinafter referred to as the „Personal Data Protection Act“) and Art. 13 or Art. 14 of the [\*Regulation \(EU\) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC \(General Data Protection Regulation\)\*](#) (hereinafter referred to as „the Regulation“), the controller provides the following information to the data subject when obtaining his/her personal data:

1. The contact details of the controller are: Ministry of Economy of the Slovak Republic (hereinafter referred to as „MH SR“), Mlynské nivy 44/a, 827 15 Bratislava, Slovakia, Company Identification No. 00686832.
2. The contact details of the protection officer, who was determined by the controller and who performs tasks according to the Personal Data Protection Act and the Regulation, are: [osobne.udaje@mhsr.sk](mailto:osobne.udaje@mhsr.sk), telephone +421 2 4854 7960.
3. The purpose of processing the personal data of the data subject concerned is to receive, distribute and process requests from authorities from other EU or EEA member states for the provision of information about data subjects or legal entities and requests from data subjects for verification of their professional qualifications (especially for the issuance of a European professional card).
4. The legal basis for personal data processing are, in particular:
  - a) Articles 3, 5, 7, 13 to 17 of the [\*Regulation \(EU\) No 1024/2012 of the European Parliament and of the Council of 25 October 2012 on administrative cooperation through the Internal Market Information System and repealing Commission Decision 2008/49/EC \('the IMI Regulation'\)\*](#),
  - b) Articles 4a to 4e of the [\*Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications\*](#),
  - c) § 44 to 48 of the [\*Act No. 422/2015 Coll. on the recognition of educational documents and on the recognition of professional qualifications and on the amendment of certain laws\*](#).
5. As part of the fulfillment of the purpose, the controller usually only familiarizes himself with the personal data entered into the IMI information system by other persons, or checks this data via the "[OverSi](#)" web portal. Only those personal data that are absolutely necessary to achieve the stated purpose and that are listed in the processed applications are disclosed. Personal data of a special category is not processed.
6. The controller may transfer the request containing the personal data of the data subject concerned to another body registered in the [IMI information system](#), if this is necessary to achieve the purpose. The controller does not publish personal data.
7. The controller does not transfer personal data to third countries.
8. The controller does not have system authorization to edit personal data in the IMI information system. The disposal of personal data after the end of the purpose of their processing is handled automatically in the IMI information system.
9. The data subject concerned has the right to request from the controller access to personal data concerning him/her and, in the event of detected deficiencies, he/she has the right
  - a) personal data to be corrected,
  - b) personal data to be deleted,
  - c) the processing of personal data to be limited,
  - d) to object to the processing of personal data,

- e) to the portability of personal data,  
unless a specific regulation provides otherwise.
10. If the legal basis for processing personal data is the consent of the data subject concerned, the data subject concerned has the right to withdraw his/her consent at any time.
  11. If the data subject concerned suspects that his/her rights have been violated or the law has been violated during the processing of personal data by the controller, he/she has the right to bring an action to initiate proceedings pursuant to § 100 of the Personal Data Protection Act.
  12. The data subject is not obliged to provide the controller with his/her personal data.
  13. When processing personal data, the controller does not use automated individual decision-making, including profiling.
  14. The controller has created adequate technical, personnel and organizational conditions to ensure the protection of processed personal data. Personal data is processed in the IMI electronic database system, which was created and managed by the European Commission, was created and is primarily intended for cooperation between state administration authorities and other authorities and organizations issuing or verifying documents or information (e.g. professional chambers) in the member states.
